

Sponsored by the Office of Advancement in cooperation with
the Bureau of Educational Research

WORKING WITH PRIVATE FOUNDATIONS

**WHEN:**

Friday, April 22nd
12:00 p.m. - 1:00 p.m.

WHERE:

242 Education Building

**Presented by: Janelle Weatherford,
Interim Director, Foundation Relations**

Janelle Weatherford will discuss the fundamental components of private foundation philanthropy. The session will cover basic principles such as the types of private foundations, the categories of funding they provide, the typical grant-making process they engage in, and more importantly, the campus resources available to help you in your search for foundation funding and in aiding in the preparation of proposals.
