# IMPORTANT

---

We appreciate your interest in graduate education at the University of Illinois at Urbana-Champaign. To ensure prompt application processing, the Graduate College encourages you to apply online at:

[www.oar.uiuc.edu/prospective/grad/applygr.html](http://www.oar.uiuc.edu/prospective/grad/applygr.html)

---

**Applying online offers several advantages:**

- Reduced processing time
  - Payment by credit card
  - Notice of your application will be sent immediately to your program of study office
- 

When you apply online, **do not send a paper application**. This is unnecessary and may delay the processing of your application.

If you have questions regarding the application process, please contact Graduate Admissions by e-mail at: [gradadmissions@uiuc.edu](mailto:gradadmissions@uiuc.edu)

## APPLICATION CHECKLIST

- Have you checked with your proposed program of study office regarding application deadlines?
- Have you contacted your current/previous academic institution to have official or attested copies of your academic credentials (transcripts, mark sheets, certificates of degree, etc.) sent directly to your program of study office?
- Have you contacted ETS (Educational Testing Service) to have official test scores (TOEFL, TSE, GRE, etc.) sent to institution code 1836, program code 00?
- Have you downloaded, printed and completed the supplemental application forms (Application Part 2, Letter of Reference Form, etc.) and mailed them to your program of study office? Forms are available at: [www.grad.uiuc.edu/general/allapplicants.html](http://www.grad.uiuc.edu/general/allapplicants.html)
- Have you contacted your proposed program of study office for additional application requirements?
- If you're completing the Application Part 1 by applying on-line, have you completed the application, paid by credit card, and clicked the submit button?
- If you're completing the Application Part 1 by downloading and mailing the form, have you included the appropriate application fee and mailed it to the Office of Admissions and Records?
- International applicants: have you downloaded and signed the Declaration and Certification of Finances Form (along with official bank statements) and mailed documents to your proposed program of study office?

### Who May Apply?

- Applicants with at least a bachelor's degree from an accredited college in the United States or a comparable degree from a recognized institution of higher learning abroad. A grade point average (GPA) of 3.0 (A=4.0), or comparable GPA for an international applicant, for last two years of undergraduate study is a minimum requirement for admission.
- Applicants enrolled in the final year of a bachelor's degree from an accredited college in the United States or a comparable degree program from a recognized institution of higher learning abroad, and who meet the GPA requirements stated above.

### Current or Previous Students of the University of Illinois at Urbana-Champaign

Applicants currently or previously enrolled as degree-seeking students in the Graduate College at the University of Illinois at Urbana-Champaign should not submit an application or pay the application fee. Contact your proposed program of study regarding re-entry or a change of curriculum via the Graduate Student Petition process. More information on the petition process, including re-entering UIUC, can be found at:

[http://www.oar.uiuc.edu/prospective/grad/applygr\\_reentry.html](http://www.oar.uiuc.edu/prospective/grad/applygr_reentry.html)

### To Apply to a Specialized Program of Study

The following programs require applicants to complete specialized applications. If you are applying to one of these programs, contact the program office for application instructions. Applicants to these programs **do not** complete the general Graduate College application.

- [College of Law](#) (Juris Doctor Program)
- [College of Veterinary Medicine](#) (Doctor of Veterinary Medicine Program)
- [MBA Program](#) (MBA)
- [Executive MBA Program](#) (MBA)

### Applying to the Graduate College

Each program of study office establishes application deadlines and materials required for admission review. Application procedures differ by programs. Please follow the instructions that pertain only to the program(s) in which you are interested. **IMPORTANT: Check with your**

**proposed program of study office for deadline information before submitting the application and non-refundable application fee.**

See [Graduate Programs of Study](#) for programs available at Illinois and [Information for All Graduate College Applicants](#) before continuing with the application process. The [Graduate College](#) is a good resource for additional information.

The application process requires you to complete the Application for Admission to the Graduate College; all other materials should be sent directly to your proposed program of study office. **Complete all five steps listed below.** Incomplete applications will not be considered for admission.

**Step 1.** Complete the Application for Admission to the Graduate College.

We encourage all applicants to apply online and pay with a credit card. However, the online application is available in an alternative format upon request. Please send your request to [gradadmissions@uiuc.edu](mailto:gradadmissions@uiuc.edu), and include "Alternative Application" in the subject line.

**Step 2.** Download and print, complete, and mail the supplemental application forms listed below to your proposed [program of study office](#).

- [Declaration and Certification of Finances](#) form and supporting bank statements (for International applicants only)

**Step 3.** Transcripts and educational credentials should be mailed directly to your proposed [program of study office](#). Please see [Transcripts/Educational Credentials](#) for important information regarding this requirement.

**Step 4.** Send all other required materials (statement of purpose, portfolio, etc.) directly to your proposed [program of study office](#).

**Step 5.** Contact [ETS](#) to send official test scores to institution code 1836 and department code 00.

### **Which application fee should I be charged?**

The non-refundable application fee amount is determined by your citizenship and/or visa status. Payment may be made online via credit card. Your application cannot be submitted until the application fee has been processed.

*Note: Certain domestic applicants (University of Illinois at Urbana-Champaign Staff, Civil Service, Academic Professionals, Faculty, Graduate Assistants, Employees of Allied Agencies, or applicants to designated programs) may be eligible for a fee waiver or exemption. There are questions within the application to indicate your potential eligibility. Please contact Graduate Admissions at [gradadmissions@uiuc.edu](mailto:gradadmissions@uiuc.edu) for information.*

**Domestic applicants** are citizens or lawful permanent residents of the United States, or have been granted Asylee, Refugee or Paroled in the Public Interest status by the United States government. If you can answer yes to ALL of the following three questions, you may also select the "Non-Citizen - Status Identified" citizenship type: 1) I am not a U.S. citizen, but I did or will graduate from an Illinois high school or attain a GED in Illinois 2) I did attend school in Illinois for at least three years during kindergarten through high school and 3) I did live with my parents while I attended school in Illinois. Domestic applicants are required to submit a **\$50.00 application fee**. If you have submitted an application, but have not yet been approved for United States Permanent Residency, please see the [instructions for International applicants](#) below.

**International applicants** are citizens or permanent residents of a country to which they intend to return other than the United States. International applicants may be in the United States on an

educational, worker or visitor visa, or be residing in their home country. International applicants must complete the "International Applicant" section of the application, and are required to submit a **\$60.00 application fee** by credit card. International applicants who are requesting F-1 or J-1 visa eligibility documents are also required to provide evidence of financial support by completing the "[Declaration and Certification of Finances Form](#)" with accompanying bank statements, and evidence of English proficiency. For a list of required documents, please see the "International Applicant" instructions below. Please note: International applicants who have filed an application for United States Permanent Residency are considered International applicants and should complete the "International Applicant" section of the application, but are not required to provide financial documentation.

## Transcripts/Educational Credentials

### International Applicants

Applicants for graduate study must submit official or attested copies of academic credentials from all universities and colleges attended, in a sealed envelope, with a certification stamp across the seal. Academic credentials include mark sheets, certificates, transcripts, and examination results and must include all coursework, grades and degree information. For each college or university attended, provide a credential in the original language, and an attested English translation. **DO NOT SUBMIT ORIGINAL DOCUMENTS**; all submitted documents become the property of UIUC and will not be returned. Questions about financial aid, graduate appointments, degree requirements, courses, curricula, and programs should be addressed to the appropriate [program of study office](#).

### Domestic Applicants

Please request that an official transcript of your academic record from each U.S. community college, senior college, university, or graduate and professional school you have attended be sent to your proposed program of study office. It is not necessary, however, to submit a transcript covering work completed at the Urbana-Champaign campus of the University of Illinois. When completing the application form, be sure to list all of the institutions you have attended, including the University of Illinois at Urbana-Champaign.

### To Apply to More Than One Program of Study

Applicants who wish to be **considered for admission to multiple programs of study** should submit multiple applications, application fees, and appropriate supporting materials to each program of study office. Students may be enrolled in only one program of study at a time, unless enrolled in an approved joint program of study.

### To Apply to a Joint Program of Study

Applicants who wish to be considered for admission to one of UIUC's joint programs should submit one online application and fee, using the appropriate joint program degree code from the Proposed Program and Degree Listing. Contact both programs of study offices for specific instructions and deadlines regarding joint program applications.

### Non-degree Applicants

Requirements for non-degree applicants vary depending on the proposed program of study chosen. Contact your proposed [program of study office](#) for specific information on non-degree applicant requirements and deadlines.

**International Applicants:** Non-degree enrollment is restricted and in most instances not allowed for international students who require a Certificate of Eligibility Form I-20 or DS-2019 to obtain an F-1 or J-1 visa. United States Government regulations require all F-1 and J-1 students to be engaged in a full course of study. Exceptions are made only when the applicant is sponsored by

an organization, government agency, or the like that proposes and supports an educational program on a non-degree basis that is consistent with the goals of international, educational, or cultural exchange (International Exchange students) -- and only if the exchange program has been previously approved by the Graduate College.

Individuals on certain dependent visas, or J-1 Scholars, may apply for non-degree enrollment if the applicant receives the recommendation of the graduate department offering the requested course work. Financial documentation and evidence of English proficiency may also be required for admission. Not all dependent visa status categories are eligible for enrollment.

International Exchange students (students who have been admitted to a program that has an official exchange agreement between and international institution and UIUC) will be allowed to register upon arrival and check-in at the University, and must be enrolled in a full course of study.

Domestic students and international students on enrollment-eligible dependent visas will have the following registration and enrollment restrictions if admitted as regular non-degree students:

- Unless applying for summer sessions only, applicants must be recommended for admission by a specific academic program.
- Admitted non-degree students will be permitted to register for the fall or spring term only after the third day of instruction and have until the tenth day of instruction to register without incurring the late fine. Early registration is not permitted.
- Admitted non-degree students may enroll in a course with the approval of the admitting academic program along with the approval of the academic program offering the course.
- Admitted non-degree students are limited to part-time status, which is defined as fewer than 12 hours of course work in any term. No more than 12 hours of graduate credit earned as a non-degree student may be petitioned to apply toward a degree.

## English Proficiency Requirement

### TOEFL (Test of English as a Foreign Language)

All applicants whose native language is not English are required to submit the results of the TOEFL as evidence of English proficiency. Official scores are required to be submitted directly from TOEFL/ETS (please see instructions below for Submitting Official Scores regarding our institution code and program number).

- Graduate applicants may be exempt from the TOEFL if **one** of the following criteria is met:
  - Completion of at least two years of post-secondary full-time study, as defined by the home institution, in a country where English is the primary language and at an institution where English is the primary medium of instruction, within five years of the proposed term of initial enrollment at the University of Illinois at Urbana-Champaign.

### OR

- Completion of a graduate degree in a country where English is the primary language and at an institution where English is the primary language of instruction, within five years of the proposed term of initial enrollment.

The TOEFL is administered via three testing methods: internet-based (iBT), computer-based (CBT), and paper-based:

- iBT: The new internet-based test (iBT) was offered first in the U.S. in September, 2005. The test will be implemented worldwide in a phased approach. Please refer to the official TOEFL web site at [www.toefl.org](http://www.toefl.org) for information regarding test availability in your country.
- CBT: The computer-based test is given at Sylvan Technology Centers worldwide and is available throughout the year by appointment.
- Paper-based test: The paper-based program is still offered in some countries. A free information bulletin is available for each of the testing programs from the TOEFL website at [www.toefl.org](http://www.toefl.org) (download or order online).

TOEFL Services:

**Mailing address:** P.O. Box 6151, Princeton, NJ 08541-6151 USA

**Telephone:** (609) 771-7100; TTY: (609) 771-7714

If testing in the U.S., Canada, Puerto Rico, or U.S. Territories: (800) 468-6335

**E-mail:** [toefl@ets.org](mailto:toefl@ets.org)

- **Submitting Official Scores:** Applicants who have already taken the TOEFL should request the Educational Testing Service send scores to the Graduate and Professional Admissions and Support Unit, using our **institution code number 1836**, and **department code 00**.

The TOEFL score must be less than two years old at the proposed term of entry in order to be valid. A minimum score of 550 (on the paper-based test), 213 (on the computer-based test, or CBT), or 79 (on the internet-based, or iBT) is required. *Please note: Individual academic programs may require a higher score; contact your proposed program of study office for the minimum TOEFL requirement for admission.* If the scores on the TOEFL are acceptable, but indicate the need for further English study (scores of 550-610 Paper, 213-253 CBT, or 79 iBT, inclusive), an English as a Second Language Placement Test (EPT) will be required upon arrival at the University. On the basis of the EPT results, applicants are generally required to enroll in non-credit "English as a Second Language" courses and take a reduced academic load beginning the first semester at the University.

### **TSE (Test of Spoken English)**

This test is required for nonnative speakers of English who wish to be considered for teaching assistantships and must be taken in addition to the TOEFL. Applicants must receive a score of 50 or higher (230 or higher on versions prior to 1996). If applicants have taken the TOEFL iBT, the spoken section sub-score will be used in place of the TSE, to measure spoken English ability. The minimum iBT spoken section sub-score for international teaching assistants is currently being established, and will be available soon. Results must be submitted directly to your program of study office. Some programs may require the TSE of applicants who are not being considered for teaching assistantships. For more information about the TSE requirement, please contact your proposed program of study office.

### **Evidence of Financial Resources**

All international applicants are required to demonstrate that they have adequate financial resources to cover the cost of their education while in the United States. Official financial documentation is required as part of the application process in order for entry documents (I-20 or DS-2019) to the U.S. to be issued. International applicants should submit the following documentation along with other supporting application materials directly to the proposed program of study office:

1. [Declaration and Certification of Finances](#) form

**AND**

Original bank statements showing proof of adequate funds for tuition and fees, books and supplies, living expenses, and dependent expenses (if applicable). Bank statements must be on official bank letterhead, and should be from savings, checking and money-market

accounts or CDs. Stock, bond, and auto/land deeds are not acceptable forms of financial support.

2. Original, official, signed Letter of Sponsorship from an employer or governmental agency, including the monetary amount of sponsorship and expenses covered (including dependents' expenses, if applicable), and length of sponsorship. If a Letter of Sponsorship is submitted, no Declaration of Finances form is required.

### Visa Information

The Certificate of Eligibility Form I-20 will be issued to admitted applicants who request and are eligible for an F-1 visa. F-1 students may not hold appointments that total more than 20 hours per week when school is in session, and full-time during vacation period provided the student intends to register in the following semester. Twelve months of optional practical training in a study program may be authorized. Dependents of F-1 students cannot be employed.

A DS-2019 Form will be issued to admitted applicants who request and are eligible for a J-1 visa. Applicants sponsored by their governments, international foundations, or agencies, who receive at least 50 percent of their funding from any source other than personal or family funds, or who are part of a university exchange are eligible to receive this form. Entry into the U.S. is only for the total period of the study program as specified on the DS-2019. J-1 students may work on or off-campus only with written approval from their sponsor. Students may participate in up to 18 months of academic training and up to 36 months of post-doctoral training. Changing visa category is very difficult and may not be allowed. J-1 visa holders may be subject to a 2-year home country residence requirement. Dependents on J-2 visas may seek employment.

A student may not enroll or pursue studies while on a B1/B2 or F-2 visa.

Information regarding the SEVIS Visa fee may be obtained from the [U.S. Department of Homeland Security website](#).

## Information for All Graduate College Applicants

### Notification of Admission

In order to be admitted to the Graduate College at UIUC, applicants must meet admission requirements of both their proposed programs of study and the Graduate College. Your proposed [program of study office](#) will evaluate your application and recommend a decision for admission to the Graduate College. An official Notification of Admission will be mailed to you from the [Graduate College](#).

### Financial Aid

Check with your proposed program of study office for its application deadline for fellowships, assistantships, or tuition waivers. You may apply for more than one type of aid by designating the

order of preference. If your proposed program requires additional supporting documents and test scores, send them directly to the program of study office.

- **Fellowships.** Information on fellowships is available from the [Fellowship Office](#) at the Graduate College.
- **Assistantships.** Assistants enrolled in most graduate programs receive a waiver of full tuition and the service fee, provided the appointment is for not less than one-quarter time and not more than two-thirds time, and if the assistant is on appointment for at least three-quarters (91 days) of the term. Assistants enrolled in the following programs receive only a waiver of the base-rate tuition and the service fee: MS, Accountancy (International Program); MAS, Accountancy; MS, Accountancy-Tax; MBA; Executive MBA; MS in Business Administration (Technology Management); MS in Policy Economics; MS in International Finance; Doctor of Veterinary Medicine (DVM); MSW in Social Work; MS in Library and Information Science; MS, Architecture (Track 1, 2, 3); and Law (JD, LLM). Details about tuition waivers are available from the [Guide to the Tuition Waiver Policy](#).

*Please note: For non-native speakers of English to be considered for a teaching assistantship, the TSE must be taken, and the score submitted to your proposed program of study office (please see the English Proficiency Requirement section for details). If applicants have taken the TOEFL iBT, the spoken section sub-score will be used in place of the TSE, to measure spoken English ability. The minimum iBT spoken section sub-score for international teaching assistants is currently being established, and will be available soon. Results must be submitted directly to your proposed program of study office.*

- **Tuition and Service Fee Waivers.** These awards waive payment of tuition and the service fee. For deadlines and applications, please contact your program of study office. For University-funded fellowships, assistantships, and tuition waivers, there are no restrictions on citizenship, age, sex, ethnic or national origin, marital status, or disability. Certain non-University-funded fellowships and assistantships may have restrictions. Before you apply for such an award, consult the office of your proposed program of study for both the types of financial aid available and the financial aid deadline. *Please note: In general, most financial aid decisions are made before April 1.*
- **Loans (for Domestic Applicants only).** For information about loans, contact the [Office of Student Financial Aid](#), 610 East John Street, Champaign, IL 61820, phone: (217) 333-0100.

## Housing

Various types of housing are available on or near campus. Included are University-owned residence halls and married student or family apartments, privately owned boarding facilities, rental homes, and apartments. For information about residence halls or family housing, contact the [Housing Division](#), 200 Clark Hall, 1203 South Fourth Street, Champaign, IL 61820, phone: (217) 333-7111, e-mail: [housing@uiuc.edu](mailto:housing@uiuc.edu).

Information about off-campus housing is available from the [Housing Information Office](#), 400 Clark Hall, 1203 South Fourth Street, Champaign, IL 61820, phone: (217) 333-1420, e-mail: [certhsg@uiuc.edu](mailto:certhsg@uiuc.edu).

## Immunization Requirement at Registration

Illinois state law requires all new students to provide proof of immunity to certain contagious diseases (among them: diphtheria, measles, mumps, rubella, and tetanus) before enrollment. All

admitted students will receive an Immunization Information Form, which must be completed and submitted upon arrival on campus. All international students will be screened on campus for tuberculosis at the time of enrollment in accordance with the Illinois Department of Public Health. **All students please note:** if the required Immunization Information Form is not submitted, you will not be eligible to register for future terms. Immunization Information Forms are also available online from the [McKinley Health Center](#).

### **Health Insurance**

Health insurance is a means to partially cover the costs of health care whenever one needs medical attention in the U.S. All students at the University of Illinois at Urbana-Champaign are required to carry health insurance coverage. Additionally, all students on J-1 status and their J-2 dependents are required by law to carry adequate health insurance for the full duration of the J-1 program. Students and their families may participate in the University insurance plan or in a private plan that provides at least comparable coverage. International students can find additional information regarding health insurance at the [Office for International Student Affairs](#).

### **Equal Opportunity Policy**

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms, whether or not specifically prohibited by law. Among the forms of invidious discrimination prohibited by the University policy but not law is discrimination, including harassment, on the basis of sexual orientation. Complaints of invidious discrimination in violation of University policy are to be resolved within existing University procedures. The policy of the University of Illinois is to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. The University will not engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era. This nondiscrimination policy applies to admissions, employment, and access to and treatment in University programs and activities.

### **Disability Services**

Campus facilities at the University of Illinois at Urbana-Champaign are among the most accessible in the nation for disabled persons, and applications from persons with disabilities are always welcomed. The [Division of Disability Resources and Educational Services \(DRES\)](#) coordinates services for U of I students with disabilities. For further information, contact DRES at 1207 South Oak Street, Champaign, IL 61820, phone: (217) 333-4603 (V/TDD).

**RESOURCES**

**Personal Funds:** If you or your family members will provide the funds for your educational and living expenses, you must complete the following financial statement for the length of the program. Attach verification of finances by means of an official bank statement or other official evidence of transferable and available cash showing adequate funds for one year. Investment funds and other fluctuating assets are not acceptable. All documents not in English must be accompanied by an official English translation. Financial documents and statement must be dated within one year of the term of entry.

**Other Funds:** If you will be sponsored by a friend, government, business, agency, private grant or scholarship, the sponsor must complete the following financial statement and attach the official contract or agreement when returning this form. The contract needs to show sponsorship for the length of the program. Authorization for billing must also be submitted if your sponsor requests to be billed directly by the University.

**School Funds:** Financial assistance is available only for graduate students. Awards vary and may cover only part of the total estimated expenses. The combination of funds from University financial assistance and from personal and/or other resources must equal the total cost of attending your proposed program of study for one year (refer to "Estimated Expenses" table). Personal or other funds must be verified as requested above.
