Urbana, IL 61801

Dear Ms. Doe:

Thank you for interviewing with me from 2:00 until 3:00 p.m. today for the position you have available as a fifth-grade teacher at Yankee Ridge Elementary School for the 2009 to 2010 school year. I enjoyed meeting you and learning more about the position.

I appreciate your taking the time to talk with me to learn more about my qualifications and interest in the position. I continue to be interested in being considered a candidate for the position. With my elementary teaching degree and certificate and my specialization in math, I feel I am well qualified for the position. I would be very interested in working in the new program for the gifted that we discussed today. With my preparation in math, I would like to participate in curriculum development efforts in the area of computer applications of math.

I look forward to hearing from you. Please contact me if you need any additional information to consider my application.

Sincerely,

John Jones
